CCE/AFT Local #4522

Yes, I want to contribute to the CCE COPE fund.

COPE stands for the Committee On Political Education. The political action committee (PAC) will be drawing from the COPE fund contributions and making independent expenditures related to political education and election campaigns for ballot measures and candidates. The authorization for the optional contribution to the local political action fund is signed freely and voluntarily and not out of fear of reprisal and on the understanding that Palomar College CCE/AFT Local 4522 Political Action Committee is engaged in joint fund-raising efforts with AFL-CIO and will use the money contributed to that effort to make political contributions and expenditures in connection with federal, state and local elections. COPE funds paid to Palomar College CCE/AFT Local 4522 may NOT be deductible for federal income tax purposes; however, under limited circumstances, dues may qualify as a business expense.

Please deduct from my paycheck:
